Lance A. Harke — Citizen of the Year

Lance A. Harke, managing partner of Miami Shores law firm Harke, Clasby, and Bushman, has been named as 2012's "Citizen of the Year". The prestigious award annually honors our town's most active and involved citizen, as voted by the Board of Directors of the Miami Shores Chamber of Commerce.

Harke will be honored at the Chamber's annual gala, held in February at the Miami Shores Country Club. Recent honorees have included Mayor Jim McCoy in 2010 and Barry University in 2011.

Harke is currently serving as Vice President of the Chamber of Commerce, and was recently named as President for 2012 of Legal Services of Greater Miami. He has spearheaded efforts to revitalize our downtown "Village Place".

"I can't think of a more deserving individual than Lance" said Chamber President George Kluck. "Lance is tireless, selfless, and genuinely liked by everyone in Miami Shores."

More details on the gala where Harke will be honored will appear next month.
